

**“TO SAVE THE  
RHINOS, WE MUST  
CHANGE THE MINDS  
OF CHILDREN AND  
TEENAGERS.”**

WILD RHINO YOUTH AMBASSADOR  
Capucine Moreau

VIETNAM, RHINO NEED YOUR HELP.  
LET'S STOP THE FALSE BELIEFS ABOUT  
RHINO HORN, AND SAVE THE  
SPECIES.

**VIETNAM, BE MY HERO**

Rhinos are dangerously close to becoming extinct. Forever. It's NOT because rhinos are a danger to people. It's NOT because they have anything we need. It is only because of the horn on their heads. They are being killed because of the false belief that the horn is a form of medicine. Even though it has been proven that the horn has no medicinal properties at all, the poaching continues. Right now, rhino poachers are planning their next move. So we have to make ours to save the rhino, and we have to do it soon.

Wild Rhino is a campaign with the objective of reducing the illegal demand for rhino horn in Vietnam. The campaign is a partnership initiative with schools and the business community in Ho Chi Minh City, Vietnam. It is implemented in association with Wilderness Foundation Africa, Peace Parks Foundation and Soul Music Academy.
